Hi Everyone -

Couple of quick policy updates - please note that today's B&F committee will be hearing a report on the sidewalk repair plan (info below). We'll be listening in and taking notes remotely and will provide at the Consortium mtg. If anyone attends/speaks, please let me know.

Also, with respect to the proposed ordinance to legalize street & sidewalk vending, if you have any responses/ideas to the following question - please send them to me before Thursday: "What are your suggestions for the Street and Sidewalk Vending Program whether pilot project or implemented citywide?"

Thanks - have a great day!
